

## Women Owned, Run, and Built.

80% of healthcare decisions are made by women. However, women, especially women of color, remain underrepresented in healthcare.

Our team, including our employees, executives, board of directors, and investors will be at least 50% women.

Having women at the forefront of our company will increase engagement, improve outcomes, and allow us to make more comprehensive decisions around healthcare, for both men and women.

## Our Plans

## Member Benefits

Member benefits specially designed for the unique needs of the residents of Massachusetts.

- ✓ Exceptional preventative and chronic care management coverage.
- ✓ Competitive Fitness and OTC benefits.
- ✓ Robust hearing, vision, and dental coverage.

## Our Value

### Simplified Member Experience

Members will have access to an easy-to-use member portal and mobile application that allows them to have all their coverage information in the palm of their hand.

### High Quality Care With Low Out-Of-Pocket Costs

Through our innovative platform, we are able to substantially reduce avoidable healthcare costs across the entire enterprise and pass down savings to our members through affordable plans with high quality benefits.

### Diverse Foundation

eternalHealth's commitment to female leadership and diversity at all levels, reflects the communities we serve and allows us to better support and identify the needs of our members, increase engagement, and improve outcomes.
