The eternalHealth Vision Benefit

We cover everything Original Medicare covers, and more!

As a Medicare Advantage plan, eternalHealth must cover everything Medicare will cover.

Below are some of the Medicare Covered Vision services:

- Eye exams for Diabetic Retinopathy and other potential vision problems.
- Cataract surgery.
- Glaucoma screening test.
- Age-related Macular Degeneration (AMD) testing/treatment.

Routine Vision Details:

- Routine refractive eye exams (Vision tests).
 - *Must use an EyeMed Vision Provider. EyeMed network can be found in eternalHealth's Provider Directory.*
- Prescription eyewear including (Allowance of \$200/year for any of the following, through our vision vendor, EyeMed. This benefit can be accessed at LensCrafters retail locations).
 - **Eyeglasses:** *Single vision, bifocal, trifocal, or progressive spectacle lenses, and/or frames (including fittings and dispensing fees).*
 - **Contact Lenses** *(including contact lens evaluations, fittings, and dispensing fees).*

YOUR FOREVER PARTNER IN HEALTHCARE

The Hearing Benefit

Everything Original Medicare offers, and more!

As a Medicare Advantage plan, eternalHealth must cover everything Medicare will cover.

Below are some of the Medicare Covered Hearing services:

- Medicare only covers hearing and balance exams if your doctor or other health care provider orders the exams.
 - *Tests help to diagnose hearing loss due to injury or illness or certain conditions like vertigo.*

Routine Hearing Details:

- Routine hearing services are performed as a part of the Hearing Aid Fitting. Members will need to go through Amplifon, our hearing benefit vendor, and will have access to their retail Miracle Ear locations.
 - *The evaluation and fitting are covered in a routine hearing exam.*
 - *Member cost-sharing for hearing aids can range from \$395 to \$695, a 64% retail savings!*
