## My Prescription Drug Benefits

There are three drug payment stages for your prescription drug coverage under eternalHealth Horizon (HMO) and eternalHealth Grand Give Back (HMO) plan. How much you pay depends on what stage you are in when you get a prescription filled or refilled. The stages are:

**Stage 1:** Yearly Deductible Stage

**Stage 2:** Initial Coverage Stage

### Stage 3: Catastrophic Coverage Stage

**Important Message About What You Pay for Vaccines** - Our plan covers most Part D vaccines at no cost to you, even if you haven't paid your deductible. Call Pharmacy Member Services for more information at 1-800-891-6989.

**Important Message About What You Pay for Insulin** - You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on even if you haven't paid your deductible.

### Deductible Stage

After you pay your yearly deductible (for certain tiers), our plan starts to cover some of your costs. There are no deductibles on Tiers 1, 2, and 3 so you will pay those copays. Tiers 4 and 5 have the deductible listed below.

|                                 | eternalHealth Horizon<br>(HMO)<br>H3551-001 | eternalHealth Grand Give Back<br>(HMO)<br>H3551-002 |

### Initial Coverage Stage

You will stay in the Initial Coverage Stage until the total amount for prescription drugs you and our plan pay reaches \$2,000.

# Pre-Enrollment Checklist

Prior to making an enrollment decision, it is important that you fully understand the coverage you are going to be receiving. If you have any questions regarding your coverage options, you can call to speak to us at 1 (800) 893-9457 (TTY 711).

## Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits that are important to you before enrolling. Visit [www.eternalHealth.com/Forms-Documents](http://www.eternalHealth.com/Forms-Documents) or call 1 (800) 893-9457 (TTY 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

## Understanding Important Rules

- You must continue to pay your Medicare Part B premium. This premium is typically taken out of your social security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- Select benefits and services may require a prior authorization.
