## **2022 Pharmacy Directory**

This pharmacy directory was updated on August 25, 2022. For more recent information or other questions, please contact Part D Member Services, at **1-800-891-6989** or, for TTY users, **711**, 24 hours a day 365 days a year, or visit **[www.eternalhealth.com](http://www.eternalhealth.com)**.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [www.eternalhealth.com](http://www.eternalhealth.com). You may also call Member Services at **(800) 891-6989** (TTY/TDD users should call **711**) for updated provider information.

**Introduction:** This booklet provides a list of eternalHealth network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and eternalHealth formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under eternalHealth only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **August 25, 2022**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside Middlesex, Suffolk and Worcester Counties, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please contact us.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact eternalHealth.

The eternalHealth pharmacy directory is organized by the type of pharmacy (chain pharmacies, retail (non-chain pharmacies), mail order, home infusion and long-term care). Our pharmacies are then listed alphabetically by city. Under each listing we also show which pharmacies have additional features. These features are identified on each page with the following key:

**eRX** = These pharmacies accept electronic prescriptions from prescribers.

**90-day** = These pharmacies allow filling of 90-day prescriptions

**S** = Specialty Pharmacy. These pharmacies provide specialty medication.

**LTC** = Long Term Care Pharmacy

### **Long-Term Care Pharmacies**

Residents of a long-term care facility may access their prescription drugs covered under eternalHealth through the facility’s long-term care pharmacy or another network long-term care pharmacy.

If you have questions, please see the first and last cover pages of this directory for information on how to contact eternalHealth. TTY users call **711**.
